**INTERNATIONAL DAY OF PEACE**

Tuesday 21st September @ 6pm - 8pm

St Margaret the Queen church Hall, Cricklade Avenue, SW2

**COUNTY LINES AND COMMUNITIES OF PEACE WITH CELEBRATE LIFE**

Come and join us for a face-to-face panel discussion and Q&A about the dangers of County Lines with experts. Learn how to protect the younger generation in our community, find out about the danger signs and help that is available.

Malik Rhodius is a County Lines specialist working with families, children and young people to bring peaceful solutions to this

complex issue. Join the discussion to learn about County Lines, how it is affecting young people and how the community can get involved to protect

children and young people and avoid the path that often leads to violence.

Wallee McDonnell of Celebrate Life, Little Big Peace Event's long standing partners, will speak about their 'Power the Change' documentary. Looking at youth violence in London and

four Londoners who make the right choices against the backdrop of loss and violence. We worked together in 2017 to screen the award-winning documentary 'Inside Peace'.
